

PROSPECTUS

BASIC B.Sc. NURSING

Tata Main Hospital

Tata Main Hospital is the iconic hospital of Tata Steel, established in 1908 catering to the needs of Tata Steel employees, their families, and the citizens of Jamshedpur. It is a 983-bedded hospital with all the basic and tertiary care facilities in eight super specialities i.e., Cardiology, Gastroenterology, Neurology, Nephrology, Neurosurgery, Urology, Plastic Surgery and Surgical Oncology. This hospital also houses facility to conduct renal transplant and Bone Marrow Transplant. The hospital has been accredited for ISO 9001:2008 and now has NABH Progressive Level Certification. Our pathology laboratory is the first hospital based NABL accredited unit in Jharkhand.

Nursing training program in Tata Main Hospital started in 1939 and the students passed out of the School are literally present all over the globe. School of Nursing has been upgraded to a College from 2015 imparting Basic B.Sc. Nursing Degree. The course covers everything from best practices in routine care to intensive care to patient safety and patient care in various specialities. Our dream is to train nurses who will play a significant role in these cost-effective, higher technology, prevent and manage models.

Motto

Inspire Excellence and Exceed Expectations

Mission

- To establish and enhance graduate level nursing programme in steel city and be one of the best nursing educational institutions in India.
- To produce exemplary and efficient graduate nurses and eventually a responsible citizen of India.
- To enhance woman employability and minimize the impact of nursing shortage locally and nationally.
- To minimize migration of local eligible girls for nursing education to other states.

Vision

To provide value-based nursing education towards holistic growth and mould the character of the young generation through a system of wholesome learning, so that their dream to achieve “progress and prosper in life” is matched by a strong urge to extend dedicated service to society.

Objectives of College of Nursing, TMH

- To prepare students to become professional nurse, who are self-motivated and responsible citizens.
- To prepare students to have the foundations for continuing professional development and continued learning in nursing.
- To develop professional attitude among students, necessary for leadership role in nursing.
- To provide a balance between professional and general education.
- To develop social and ethical obligation among students towards society at large.

Course Description

Basic B.Sc. Nursing is four years (eight semester) graduate program governed by Indian Nursing Council, New Delhi. The College is affiliated by Kolhan University. During the study, students learn about various medical subjects, social subjects and nursing subjects as per the syllabus prescribed by Indian Nursing Council. The medium of instruction and evaluation is English. Throughout the course, students gain clinical experiences at various units of Tata Main hospital and other hospitals for specialized areas such as psychiatry and oncology. Students also visit community setting at both rural and urban areas and participate in various projects under National Health Mission.

Annual examination is conducted at completion of each semester by Kolhan University. On successful completion of course, Basic B.Sc. Nursing degree is conferred upon students from Kolhan University, Chaibasa.

Hostel Facilities

This course is a residential one. All students are provided with well-furnished hostel accommodation. They should follow the rules and regulations of the hostel, a copy of which will be handed over to the candidates on admission. No electrical or electronic items are allowed. Use of mobiles are strictly prohibited during clinical, class hours and at night.

Boarding

An arrangement of common mess is available and payment on monthly basis on actual cost quoted by the service provider is to be paid by the student directly. The menu is pre-fixed. No cooked food from outside is permitted inside the hostel.

Annual Leave

All students are entitled for 3 weeks of vacation in a staggered manner in each semester which they can avail according to the discretion of the managing authority of the College. All students are entitled for 15 institutional holidays in a calendar year.

Sick Leave

Student nurse is not entitled for any sick leave during study period as per Indian Nursing Council regulations. However, for any medical reasons, students will be allowed leave on certification by an authorised medical practitioner of Tata Main Hospital. Sickness certified other than Tata Main Hospital will be treated as absenteeism. Sick leave beyond 7 days will be adjusted against their annual leave.
